

3rd Grade Newsletter

What have we been learning?

Reading: In reading, we are finishing up our biography books. Students will be finishing their unit by creating a poster with all of the highlights of their heroes life.

Math: In math, we are working on locating fractions on a number line, comparing fractions, and finding equivalent fractions.

Writing: In writing, we are finishing our biographies. Students are using the rough draft of their biography to turn into a Prezi. Students will be presenting their Prezi later in the week.

Science/Social Studies: In social studies, we are finishing our geography unit. Students will be reviewing all concepts taught including; 3 regions of North Carolina, human and physical characteristics, longitude and latitude, relative and absolute location. There will be a test on Thursday.

Important Dates and Things to Remember:

March 25th-Case 21 Testing Math

March 27th-Geography Test

March 27th-Biography Project Due

March 28th-Report Cards go home

March 28th-Early Release

March 28th-Poem Due

March 29th-Saturday School

March 31st-Parent Teacher Conferences

Students will be memorizing a poem to recite for the class after track out. Please have your child choose a poem to turn in for approval by Friday, March 28th. You can either make a copy of the poem and send it in or have your child bring a poetry book in and I can make a copy.
