

## 3rd Grade Newsletter

### What have we been learning?

**Reading:** In reading, we will be focusing on reviewing nonfiction text features along with past skills. We will be covering cause and effect, main idea and supporting details, sequencing, and comparing two texts.

**Math:** In math, we will be having the fraction unit assessment on Wednesday May 7th. Students will be reviewing all concepts covered since we tracked in including unit fractions, fractions on a number line, comparing fractions, identifying parts of a whole, denominators, and numerators.

**Writing:** We are working on publishing our poetry books for our poetry day on Friday.

**Science/Social Studies:** In social studies, we are working on researching different states economies. Students are taking their researching and writing a four paragraph report on the information we gathered. Students will share their information with the class later in the week.

### Important Dates and Things to Remember:

May 5-9- Teacher Appreciation Week

May 7-Fraction Unit Assessment

May 9-Poetry Day @11:40

May 22-Field Trip Morehead Planetarium

Please join us on Friday May 9th for our poetry day! **Please arrive promptly at 11:40.**

Read to Achieve-Just an FYI-Due to the continued changes of the program many students now have exemptions and will not have to continue taking passages during our literacy block. If you have specific questions about your child please let me know.
