

3rdGrade Newsletter

What have we been learning?

Reading: In reading, we will continue to work on reading non-fiction texts and identifying text features. We will also be reviewing main idea focusing on supporting and irrelevant details. In guided reading, students will be reading non-fiction texts while looking at main idea and text features to support comprehension.

Math: In math, we will be finishing up our multiplication and division unit. We will be reviewing properties of multiplication and division and solving multi-step problems using all operations. We will have our unit assessment on Tuesday. Please continue to have your child memorize their multiplication facts.

Writing: In writing, we have been busy learning about our six different charities. Students will be organizing their information into an expository paper explaining what their organization does for the community.

Science/Social Studies: In science we will be finishing our Prezis on the human body. Students will be presenting these to the class this week to demonstrate their knowledge of this unit.

Upcoming Events:

Math Test-11/26

Word Study Test-11/27

Thanksgiving Break-11-28
-11-29

Family Night for the Book
Fair-12/4

HELP!

Wish List:

None at this time

Reminders

Please continue to have your child study their multiplication facts. We will be testing until track out. Please be aware that one of our objectives this quarter is to fluently know their multiplication facts. Students not demonstrating proficiency will not receive a 3 in this area.
