# 3rdGrade Newsletter

## What have we been learning?

**Reading:** In reading this week we will be making and answering questions about timelines. Students will be asked to create a sequence of events and create cause and effect relationships using timelines. In guided reading, students will be reading recipes and directions and answering how to type questions.

**Math:** In math, we are moving on to our area and perimeter unit. Students will be exploring area and perimeter by counting square units and explaining attributes of plane figures.

**Writing:** In writing, students will be working on non-fiction writing of an area of their choice until the end of the quarter.

**Science/Social Studies:** In Social Studies this week we are continuing to learn about the history of Wake County. Students will be learning about the evolution of transportation in this area, The Civil Rights Movement, building the Research Triangle Park, and the growing population of Wake County. Students will be taking a continent and ocean quiz on Friday. Students should be able to correctly identify and spell the continents and oceans.

## Upcoming Events:

## HELP!

### *Wish List:*

None at this time

## Reminders

Please have students study their word study and multiplication facts daily our last multiplication test will be on Friday.

This week is Case 21 Testing in Reading and Math. Please have your child get a good nights sleep and eat a good breakfast. Please make sure your student arrives on time to school.

There will be no weekly sheet this week due to the fact I was out most of last week.

Our class spelling bee will be Thursday. The winner will go onto the 3rd grade spelling bee.
